Lawrence University	Lawrence Academy of Music - Chamber Music Odyssey	Chamber Music Odyssey is a day camp for motivated string	http://www.lawrence.edu/dept/acad_music/camps.shtml
Lawrence University	Lawrence Academy of Music - Piano Odyssey	Piano Odyssey day camp is for the motivated student of the piano, ages 8-16, looking to explore this fantastic instrument in greater depth.	http://www.lawrence.edu/dept/acad_music/camps.shtml

Lawrence University	Lawrence Academy of Music - Music Camp	Perform in a band, study with faculty from the Lawrence University Conservatory of Music and Academy of Music, attend concerts and recitals, and enjoy a week of recreational activities at a residential band camp for middle and high school woodwind, brass and percussion instrumentalists. A commuter option is available.	http://www.lawrence.edu/dept/acad_music/camps.shtml
Lawrence University	Girls Basketball Camps	Improve your fundamental skills (for 2nd - 9th graders) and offensive skills (for 7th - 12th graders)	Contact Marcus Heidorf, Head Women's Basketball coach, at 920-832-7272 or marcus.r.heidorf@lawrence.edu
Lawrence University	Boys Basketball Camps	To become a successful basketball player, you must not only learn to enjoy competition, but also know and understand the essential fundamentals of the game. (Kindergarten - 12th graders)	Contact Lee Rabas, Assistant Basketball Coach at 920-832-6761 or lee.m.rabas@lawrence.edu
Lawrence University	Girls Volleyball Camp	An excellent opportunity for girls entering grades 6 -9 to increase their knowledge of volleyball.	Contact Matt Shoultz, Head Volleyball coach, at 920-993-6280 or matthew.schoultz@lawrence.edu
Marian University	Nurse Camp	Join fellow high school juniors and seniors interested in a career in the nursing field for a week-long day camp of exploration into this fascinating health care opportunity. Nurse Camp participants will have hands-on clinical instruction on the Marian University campus and St. Agnes Hospital. Receive a \$500 Marian University Scholarship.	marianuniversity.edu/summercamps
Marian University	Business Camp	A six-day event for high school sophomores, juniors, and seniors, held during the summer that introduces high school students to the challenges of being successful in the world of business. Students will have the opportunity to bring out their competitive drive experience new challenges, and develop relationships with others who share an interest in the business world. Receive a \$1,000 Marian University Scholarship.	marianuniversity.edu/summercamps

Marian University	Criminal Justice Camp	This three-day overnight CJ Camp is for the highly motivated high school junior or senior who wants to learn more about careers in criminal justice - including crime fighting and prevention. CJ Camp participants will discover and practice a variety of techniques from surveillance and hostage situations to crime scene investigation. Receive a \$1,000 Marian University Scholarship.	marianuniversity.edu/summercamps
Marian University	Winter Holiday Hitters Clinic-Baseball	A two day clinic structured to improve the camper's ability in the art of hitting and teach valuable drills and techniques that can be used to prepare for the upcoming season.	Contact Jason Bartelt, Head Men's Baseball Coach for more info at jbartelt@marianuniversity.edu or 920-923-8090
Marian University	Winter All-Skills Camp-Baseball	Camp is designed to prepare every player for their upcoming spring/summer season and improve their all-around game. Coaching staff will cover the most important aspects of the game including hitting (every week), base-running, infield/outfield play, catching drills (if applicable), speed/agility training and mental preparation.	Contact Jason Bartelt, Head Men's Baseball Coach for more info at jbartelt@marianuniversity.edu or 920-923-8090
Marian University	Winter Pitching Camp - Baseball	Clinic is designed to prepare the camper for the upcoming season along with providing quality information on how to condition the body, strengthen and take care of the arm, and the mental side of pitching. Coaches and current pitchers on the staff will demonstrate and teach the drills and mechanics of the Sabre pitching routine and give feedback on each individual's mechanics through video analysis.	Contact Jason Bartelt, Head Men's Baseball Coach for more info at jbartelt@marianuniversity.edu or 920-923-8090

Marian University	Summer Baseball Camps	Hitting Camp will break down the campers swing through a variety of drills. Different varieties of on-field batting practice will be taken every day of the camp to help with the campers progress. This camp is a great tool to help the in-season player define his swing. Pitching Camp will cover every area of how to become a better pitcher for your team. The coaching staff will go through the daily in-season routine used at Marian along with other important drills to maintain and build arm strength. Lessons will be given off either the bullpens or the game mound. Pitch counts will be monitored through the camp so as not to interfere with current player seasons.	Contact Jason Bartelt, Head Men's Baseball Coach for more info at jbartelt@marianuniversity.edu or 920-923-8090
Marquette University	Marquette Basketball Summer Camps	Our camp is one of the best camps in the country. Campers work in our state of the art practice facility, the Al McGuire Center, work with Big East players and staff and learn from former Marquette greats and some of basketball's rising stars. Last summer over 700 campers attended our camps and came away with better basketball skills while making friends and having fun.	http://www.marquettebasketballcamps.com/
Marquette University	Marquette Womens Basketball Camps	A Word from Head Coach Terri Mitchell: Summer is the perfect time to enhance your skills. Attending Marquette summer camps gives you the opportunity to expand your game while having fun on the court. In addition Marquette players and coaching staff will be on hand to give all participants the personal attention necessary to become a better player. We are looking forward to seeing you at camp!!!	http://www.eteamz.com/MUGirlsBBall/
Marquette University	Junior Golf Academy	Instruction Includes: Putting, Chipping, Bunker Play, Full Swing, Rules and Etiquette, and Course Management	http://www.gomarquette.com/auto_pdf/p_hotos/s_chools/marq/sports/m-golf/auto_pdf/09-academy-registration

Marquette University	Marquette Girls Soccer Camps	Join us for three days of training "Marquette Style." The staff will share with you what has kept our soccer program among the nation's elite. The camp environment will make you laugh, learn, and compete while providing life lessons.	http://www.gomarquette.com/auto_pdf/photos/schools/marq/sports/w-soccer/auto_pdf/09WSOCCampFlyer
Marquette University	Marquette Womens Volleyball Camp	This is a camp for boys and girls who want to have FUN while learning the basic skills of volleyball. We will instill good volleyball techniques and habits for the young players to encourage them to fall in love with the sport. The athletes will be trained in all areas of the game including serving, hitting, blocking, passing, setting, and digging.	http://www.gomarquette.com/auto_pdf/photos/schools/marq/sports/w-volley/auto_pdf/2009CampBrochure
Marquette University	Marquette Mens Soccer Camp	Marquette Soccer School is a great way to see what Marquette Soccer is all about and gives us an opportunity to work directly with local soccer players of all ages, utilizing our great facilities and great staff. In all, it provides every participant with quality instruction and a fantastic soccer environment." - Head Coach Louis Bennett	http://www.gomarquette.com/ot/marq-soccer-school.html
Marquette University	NurseCamp	NurseCamp 2009, June 26-27, 2009, is a weekend experience created for high school students who are seriously considering a career in nursing. It provides an opportunity for students to experience dormitory life, gain information about nursing and the many roles of the nurse, and perform basic nursing skills in a laboratory setting. NurseCamp 2009 is open to high school students, grades 9 - 12.	http://www.marquette.edu/student/ugrad/documents/NurseCampBro09.pdf

Marquette University	Summer Debate Institute	The Marquette University Debate Institute gives students the best opportunity for topic research and skill advancement in the state of Wisconsin. Through proven theory and skill development techniques, MUDI alumni have achieved outstanding success nationwide, and the number of national attendees in the past few years speaks volumes about the institute's reputation.	http://diederich.marquette.edu/COC/Pre-College-Programs.aspx
Marquette University	Urban Journalism Workshop	The Urban Journalism Workshop is an intense two-week program focusing on multimedia news gathering. Students use backpacks of digital equipment — iPods, digital cameras, camcorders, smart phones and MacBooks — to create an online publication.	http://diederich.marquette.edu/COC/Pre-College-Programs.aspx
Marquette University	The Summer Science Enrichment Program	The Summer Science Enrichment Program is designed for rising high school sophomores (SSEP I), juniors (SSEP II) and seniors (SSEP III) who are seriously considering medical careers. We accept applications from students across the country for this challenging program, which runs from mid-June to the end of July. Participating students live and attend classes on the Marquette campus. Housing, meals and transportation costs are provided.	http://www.marquette.edu/programs/hcop_summer_enrichment.shtml
Milwaukee School of Engineering	Baseball Camps	Instructed by college coaches and players from Milwaukee School of Engineering (MSOE), camp participants will gain knowledge and insight into the skills needed to become a successful athlete. The goal of these clinics is to provide the participant with an educational and enjoyable environment to develop important skills. The clinics are recommended for all boys and girls in grades 5 - 12. Basic skills and advanced skills will be part of the clinic activities.	http://www.msoe.edu/athletics/camps/baseball_camps.shtml

Milwaukee School of Engineering	Volleyball Camps	Instructed by college coaches and players from Milwaukee School of Engineering (MSOE), camp participants will gain knowledge and insight into the skills needed to become a successful athlete. The goal of these clinics is to provide the participant with an educational and enjoyable environment to develop important skills. The clinics are recommended for all boys and girls in grades 5 - 12. Basic skills and advanced skills will be part of the clinic activities.	http://www.msoe.edu/athletics/camps/volleyball_camps.shtml
Milwaukee School of Engineering	Wrestling Camps	Instructed by college coaches and players from Milwaukee School of Engineering (MSOE), camp participants will gain knowledge and insight into the skills needed to become a successful athlete. The goal of these clinics is to provide the participant with an educational and enjoyable environment to develop important skills. The clinics are recommended for all boys and girls in grades 5 - 12. Basic skills and advanced skills will be part of the clinic activities.	http://www.msoe.edu/athletics/camps/wrestling_camps.shtml
