

# Sound and Sight: Exploring Mexico City

**In Focus, May 20-June 3, 2019**

Explore the music, art, history and language of one of the largest, most cosmopolitan cities in the world. Take guided tours of historical and contemporary art museums and archaeological sites. Attend musical events, and explore diverse neighborhoods throughout the city. Participants prepare Mexican choral pieces to perform in the city or a visual art program. Includes one week of on-campus instruction on Mexican history, language, culture, choral rehearsals or visual journaling.

**No prior experience in art or music required.**
