A Snapshot of Who Attends the Workforce Fair: Jobs, Internships, and Graduate Schools

"I enjoyed the fact that you could get in touch with many prospective employers at the same time, instead of working on connecting one at a time via e-mail or phone."

"I liked talking to the different employers and getting to know their requirements for internships at their companies."

"I enjoyed hearing from all of the companies and chatting with their representatives to see how my career goals would align with what the company offers."
